MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation with Mr. Sandy Trowbridge,
17 November 1978

1. Mr. Sandy Trowbridge, the Vice Chairman of Allied Chemical, and a former official of the Conference Board where I knew him, phoned me on Friday. He requested that I speak to a group of 40-45 business executives with whom he is associated. The group will meet here in Washington on the 13th and 14th of February. I would be asked to speak at dinner on the 13th or, if that didn't work, at breakfast on the 14th.

2. I told him I would be pleased to do it if I were going to be in town, but that we were just working up the trip and speaking schedules for the February time frame. He said he would send me a letter with more details.

3. My inclination, if I am in town, is to do the breakfast as being something that would take less time.
